Declaration of Paul Andrew in Support of Claim

****DECLARATION OF PAUL ANDREW****

1. My name is Paul Andrew, and I am the plaintiff in this case. I am filing this claim against the defendant, ACME AUTO REPAIR, for money owed to me due to their failure to repair my vehicle as agreed.
2. On April 1, 2026, I took my 2021 Mercedes-Benz CLA (VIN W1K5J4GB7MN123456) to ACME AUTO REPAIR for diagnosis and engine work to correct an engine "lifter noise." The shop agreed to perform the repair and represented that the problem would be fixed, as supported by the written invoice and estimate.
3. I paid ACME AUTO REPAIR \$5,000.00 by check (No. 1842) for the diagnosis and repair. The check cleared my bank on April 1, 2026.
4. Later that same day, April 1, 2026, ACME AUTO REPAIR told me the work was completed and released the vehicle to me.
5. Immediately after leaving the shop, I noticed that the same engine lifter noise was still present. Two hours later, I returned to ACME AUTO REPAIR with a witness, Janey Do Do, to report the issue.
6. I informed ACME AUTO REPAIR that the original problem was not fixed and asked the shop to either complete the repair as promised or refund my \$5,000.00. ACME AUTO REPAIR refused both requests.
7. On April 2, 2026, I emailed the shop demanding that they fulfill their written 30-day limited warranty by completing the repair or refunding the payment. They did not respond or agree to perform additional repairs.

8. I am seeking \$5,000.00—the full amount I paid to ACME AUTO REPAIR—because the work they performed failed to resolve the problem as promised. This amount is documented by the invoice and a copy of my cleared check.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
